WELCOME TO INDEPENDENT LIVING AT CMH

The independent living apartments at CMH allow residents the opportunity to maintain their independence in a home of their own, all while close to healthcare services and professionals. Independent Living Apartments are available in two floor plans: one bedroom, one bathroom; two bedroom, two bathroom. All apartments feature a full kitchen and living room and most apartments include a single-car garage and covered patio.

Residents of independent living apartments can expect to have access to daily activities with the residents and staff of the nearest skilled nursing facility, as well as access to meals at the facility for a nominal fee.

RENTAL AGREEMENT

Independent living apartments are rented on a 12-month lease with 30 day termination clause. Pets and smoking are not allowed. Individuals with impairment may have a pet that is used for disability purposes.

The monthly rental fee includes 24/7 monitoring system and utilities including sewer, water, trash and electric. It is the responsibility of each independent living apartment resident to pay their cable, phone and internet connection bills.

FLOOR PLANS AVAILABLE

Triplex Options

Triplex-style apartment living is available in two options: one bedroom, one bathroom; and two bedroom, two bathroom floor plans. Both floor plans include a one-car garage and covered patio. Triplex independent living is available on the campuses of Colonial Springs Healthcare Center, Community Springs Healthcare Facility and Parkview Health Care Facility.

Duplex Option

Duplex-style apartment living is available in a two bedroom, two bathroom floor plan. This floor plan also includes a covered patio and one-car garage. Duplex-style independent living is available on the campuses of Ash Grove Healthcare Facility and Parkview Health Care Facility.

Apartment Option

Butterfield Apartments offers a community-style apartment complex in a one bedroom, one bathroom floor plan located on the campus of Citizens Memorial Healthcare Facility.

FROM OUR CEO/EXECUTIVE DIRECTOR

Independent living at CMH allows families the peace of mind knowing their loved one is near healthcare professionals in the event of a medical need. Each independent living apartment provides spacious living quarters for independent living residents to live and entertain guests and family.

Independent living residents are encouraged to join the daily planned activities on the campus of their nearest skilled nursing facility. Activities include exercise classes, intergenerational programs, musical entertainment and educational opportunities.
